PROFILE SUMMARY

Enthusiastic web developer and fresher with expertise in HTML, CSS, JavaScript, Bootstrap, jQuery, Node.js, and MongoDB. Skilled in creating dynamic, responsive web applications and eager to contribute to innovative projects and collaborate with teams.

EDUCATION

BE - Computer science and Engineering

2007 - 2019

DMI Engineering College, Aralvaimozhi.

CGPA - 7.34

SSLC and HSC

Walker Hr, Sec. School, Dohnavur.

HSC - 55% (2016 - 2017)

SSLC - 82.2% (2018 - 2019)

PROJECTS

[Daily Journal](#) — (HTML, CSS, Javascript, Express, EJS)

I created a dynamic daily journal website using HTML, CSS, JavaScript, EJS, and Express. It features user-friendly interfaces for creating, editing, and deleting journal entries. EJS and Express are used for efficient server-side rendering and routing.

[To do list](#) — (HTML, CSS, Javascript, Express, EJS)

I created a dynamic to-do list website using HTML, CSS, JavaScript, EJS, and Express. It allows users to add, edit, and delete tasks, featuring a user-friendly interface with efficient server-side rendering and routing through EJS and Express.

[Popular 100](#) — (Python, Selenium, Flask, HTML, CSS)

I've created a web app where users can explore the top 100 songs for a specific week. Users input a date in YYYY-MM-DD format, and the app generates a list of the 100 most popular songs for that week. It offers an easy and enjoyable way for users to discover trending music based on their chosen date.

SKILLS

- HTML
- CSS
- Javascript
- Bootstrap
- JQuery
- Node.js
- MongoDB
- Web development
- Web technologies
- Analytical skills

ADDITIONAL

Studying a course in Udemy

LANGUAGES

English, Tamil.
